More than a game.

MORE THAN A GIFT.

The First Tee **Coach Philosophy**

The First Tee coaches are trained to create positive relationships that inspire young people to look to their future, set goals and discover their individual potential.

I can safely say that I am where I'm at in my life largely due to the support of my Go-To team...

“
*One of the most influential role models in my life has been **Adam Fishman**. I have been coached by Adam for 11 years, and throughout all of that time, he has been an exemplary coach and mentor. The most important lesson I have learned from him is the importance of having a Go-To team. I can safely say that I am where I'm at in my life largely due to the support of my Go-To team, and I would not have even thought about building this team without the lessons I have received from Coach Adam.*
